THE ALL-TERRAIN *Bush Buggy* TRAILERS

Northtrail, the Originator of the Bush Buggy, has been dedicated to building quality trailers for over a quarter of a century. These go-anywhere trailers are designed for tough use over rough terrain, and are the perfect match for your 4 wheel ATV.

AT4X4 & AT4X5

Product Features:

- * Heavy all steel construction, built for tough use
- * Spacious steel box has a rear taper and tilts back for easy unloading
- * The New AT4X5 BUGGY offers increased load capacity, plus a front taper box design for easier towing through rough bush conditions
- * Removable lift-out tailgate, secured in place with rubber strap hooks
- * Full tubular steel tongue, heavy duty trip latch and a 1 7/8" ball coupler hitch for smooth hauling (bolt on for easy replacement)
- * New durable Powder Coat Black "Sand-Tex" Finish
- * Designed for off-road use only
- * 4 ft. & New 5 ft. box lengths

BIG 22" X 11" KNOBBY TYPE TIRES

with high speed hubs & road quality bearings to tackle unfriendly landscape with ease.

Off-road use only... never allow passengers to ride in, or on the trailer... maintain low speeds while hauling loads... make sure cargo is secure and tied down before towing.

OFF-ROAD ALL-TERRAIN CARGO TRAILER

Cottage...Hunting Camp...or Farm Use
The BUSH BUGGY can haul anything from firewood, camping gear and hay, to supplies to fix-up that fence in the back forty. Ideal for your clean-up chores around the yard, with 6 tie down locations for securing loose loads.
